Bluegrass Classic, Key of **A<sup>b</sup>** My Key: \_\_\_\_

**INTRO:** **1** **5** , **1** , (extra two beats)

I'll **1** never, love an- **1<sup>7</sup>** other, now **4** that you've gone a- **1** way  
And **1** left me here, to grieve dear all a- **5** lone  
It **1** seems I always **1<sup>7</sup>** lose my dear no **4** matter how I **1** try  
I'll **4** never love an- **1** other, un- **5** til the day I **1** die

## **CHORUS:**

I'll **4** never love another, now **1** that you've proved untrue  
With **2** out your lovin', darlin', **5** what am I to do  
I've **1** spent my life for **1<sup>7</sup>** you, dear  
And **4** now you left me **1** blue  
I'll **4** never love an- **1** other, **5** if I can't have **1** you

**INSTRUMENTAL:** **1** **1<sup>7</sup>** , **4** , **1** , **5**  
**1** **1<sup>7</sup>** , **4** , **1** **5** , **1** , (extra two beats)

My **1** castle now has **1<sup>7</sup>** tumbled, that **4** I had built for **1** two  
And **1** all my dreams have vanished dear with **5** you  
I'll **1** find no one to **1<sup>7</sup>** take your place, so **4** I'll not even **1** try  
I'll **4** never love an- **1** other, un- **5** til the day I **1** die

## **INSTRUMENTAL**

Now **1** you don't know the **1<sup>7</sup>** heartaches  
That **4** you caused me to **1** bear  
Or **1** you would never stole my love from **5** me  
I'll **1** have to live my **1<sup>7</sup>** life alone, and **4** think of days gone **1** by  
I'll **4** never love an- **1** other, un- **5** til the day I **1** die

## **CHORUS**

1 = A <sup>b</sup>
4 = D <sup>b</sup>
