I **1** used to sit alone at night and **4** worry little **1** darling

**1** For I thought you meant the world to **5** me

But **1** now things have changed, and-those **4** days are gone for- **1** ever

**1** So I'll never, **5** shed, another **1** tear

**CHORUS:** I'll **1** never, shed another tear now

**4** I don't care what **1** happens

**1** You have proved your love untrue, to **5** me

There's **1** nothing you can do

That will **4** ever change my **1** feelings

**1** So I'll never, **5** shed, another **1** tear

**INSTRUMENTAL:** Same as **INTRO**

With-a **1** broken heart I'll never-forget the **4** vows we made, to- **1** gether

**1** The many times you told me not to **5** fear

But **1** now, you've forgotten, and you've **4** left me here for- **1** ever

**1** So I'll never, **5** shed, another **1** tear

**CHORUS / INSTRUMENTAL**

Now **1** you, should have told me dear that **4** you were only **1** fooling

**1** Then I'd never learn to love you **5** so

**1** Then I, wouldn't have, all-these **4** heartaches, my **1** darling

**1** Dread,ing the **5** day I'd see you **1** go

**CHORUS**
