

# ***My Baby's Gone - The Louvin Brothers***

Bluegrass Classic, Key of **E<sup>b</sup>** My Key: \_\_\_\_

**INTRO:** **5 1** , **5 1**

**CHORUS:** **1** Hold back the rushing minute  
**4** Make the wind lie still  
**5** Don't let, the moonlight shine  
Across, the lonely **1** hill  
**1** Dry all the raindrops, and, **4** pull back the sun  
**5** My world has ended, my baby's **1** gone

The **5** Milkman whistles softly as he **1** comes up to my door  
The **5** Mailman brings, the letters by, **1** just like he did before  
They **1** seem, so busy all day long  
As **1<sup>7</sup>** though there's nothing **4** wrong,  
Don't they **5** know the world has ended, my baby's **1** gone

## **CHORUS**

**TURNAROUND:** **1 4** , **5 1**

I **5** wake up sometimes in the night, and **1** realize you're gone  
And **5** then I toss, upon my bed, and **1** wait for day to come  
I **1** try, to tell my lonely heart, it **1<sup>7</sup>** must go on a- **4** lone  
But it **5** cries the world has ended, my baby's **1** gone

## **CHORUS**

**5 1**

**1** = E<sup>b</sup>  
**4** = A<sup>b</sup>  
**5** = B<sup>b</sup>
