

I'm Lonesome Without You - Balsam Range

Bluegrass Classic, Key of **B** My Key: ____

INTRO: 2X (**1** **4** , **1** , **1** **5** , **1**)

When we were **1** young, and **4** loved each **1** other
More than **1** any **5** one will **1** know
Until that **1** day, you **4** found a **1** new love
Then you **1** said, I'd **5** have to **1** go

CHORUS: Oh the **4** road, is rough and **1** rocky
Since the **1** day, I **5** last saw **1** you
Another's **4** won, your heart for- **1** ever
And I'm **1** lone, some **5** without **1** you

INSTRUMENTAL: Same as **INTRO**

On down this **1** lonely **4** road I **1** wander
Nothing **1** left, for **5** me to **1** do
Wonderin' **1** if, I'll **4** ever **1** see you
And share the **1** love, that **5** we once **1** knew

CHORUS / INSTRUMENTAL

My hope is **1** now, that **4** you'll be **1** happy
With the **1** new, love **5** you have **1** found
But should you **1** ever **4** change your **1** mind love
Remember **1** me, I'll **5** be a- **1** round

CHORUS / INSTRUMENTAL

CHORUS

And I'm **1** lone, some **5** without **1** you
