I **1** once, wrote a song, little **4** dar,ling of **1** you  
**5** Af,ter you said, you loved **1** me  
It **1** told, of the plans, and the **4** vows, we had **1** made  
How **5** hap,py some day, we would **1** be

## **CHORUS:**

I'm **4** changing the words, to my love song of **1** you  
They **1** won't, have the same, things to **5** say  
The **1** heart, warming lines, that once **4** said, you were **1** mine  
Will **1** say, you have **5** thrown, me a- **1** way

## **INSTRUMENTAL:** Same as **INTRO 2X**

The **1** first, day of spring all the **4** birds, seemed to **1** sing  
Those **5** sweet, little words, you once **1** said

they've **4** giv'n, back the **1** song  
And **5** like, me they're hang,ing their **1** heads

I'm **4** changing the words, to my love song of **1** you  
Re- **1** plac,ing the old, with the **1** new  
I **1** can't, change the part, that I **4** wrote, from my **1** heart  
**1** Say,ing I'll **5** al,ways love **1** you

## **INSTRUMENTAL**

I **1** once, built a cab,in of **4** dreams, in my **1** heart  
**5** It's empty now, since you're **1** gone  
So **1** I'll, close the door, to our **4** cab,in of **1** dreams  
I-could **5** nev,er live there, any **1** more
