Bluegrass Classic, Key of **E** My Key: \_\_\_\_

**INTRO:** **4** , **1** , **5** , **1** , **1**

We **1** pass, in the hallway, al- **1**<sup>7</sup> most every **4** day  
Though I **4** nev,er real,ly **1** met him  
Well he don't **1** have, too much, to **5** say,  
But I **1** feel, as though, I know him  
For every **1**<sup>7</sup> night, about this **4** time  
When he's a- **4** walk,in' and a- **1** talkin'  
I'll be **5** in, that room, of **1** mine

## CHORUS:

He may be **2** thinking, of things, that might, have **5** been  
Or, of his **2** family, and how he's miss,ing **5** them  
Well it's **1** hard, to know, what's a-going on  
In a **1**<sup>7</sup> troub,led man's **4** mind  
But I can **4** hear, him walk,in' and **1** talkin'  
In the **5** room, over **1** mine

**INSTRUMENTAL:** **1** , **1** , **1** , **4** , **4** , **1** , **1** , **5**  
**1** , **1** , **1** , **4** , **4** , **1** , **5** , **1** , **1**

Well it's **1** plain, to see he's had a troub,led life  
By the **1**<sup>7</sup> lines, across his **4** face  
It's a the **4** sad,ness that **1** dims, his eyes  
That **1** search for a better **5** place,  
Well I **1** know, just how, he really feels  
Every **1**<sup>7</sup> night, about this **4** time  
When he's a- **4** walk,in' and a- **1** talkin'  
I'll be **5** in, that room, of **1** mine

## CHORUS

Yes I can **4** hear, him walk,in' and **1** talkin'  
In the **5** room, over **1** mine,  
**4** , **1** , **5** , **1** , **1**
