

# *I Wonder If You Feel The Way I Do*

**Bill Monroe** Bluegrass Classic, Key of **G** My Key: \_\_\_\_

**INTRO: 2X** ( **1** **1'** , **4** , **5** , **1** ) , (extra two beats)

Eight **1** weeks, ago tonight we **4** parted  
It's so **5** hard, to realize we're **1** through  
When we **1** quit, you said you'd always **4** love me  
Now I **5** wonder if you feel the way I **1** do  
I'll **1** ne'er, forget our days to- **4** gether  
Even **5** though, I know this very **1** true  
I **1** loved, you then and will for- **4** ever  
Now I **5** wonder if you feel the way I **1** do

**INSTRUMENTAL: Same as INTRO**

It's the **1** strang,est and the sweetest **4** love dear  
**5** That, two people ever **1** knew  
You **1** told, me that I need not **4** worry  
**5** That, forever you'd be **1** true  
It makes no **1** difference where I **4** wander  
No **5** mat,ter what I say or **1** do  
I'll **1** al,ways think of you my **4** darling  
And I **5** wonder if you feel the way I **1** do

**INSTRUMENTAL**

Through this **1** drear,y world alone I **4** wander  
My **5** thoughts, will always be of **1** you  
It **1** seems, to me there's no use **4** living  
**5** If, you feel the way I **1** do

**INSTRUMENTAL** without extra beats

1 = G
4 = C
5 = D
