

# Many a Mile - Country Gentlemen

Bluegrass Classic, Key of **A** My Key: \_\_\_\_

**INTRO:** **1** , **1** , **5** , **1**

Well I damn near **1** walked, this **4** world a- **1** round  
Another **5** city, and another **1** town  
Another **1** friend, to **4** say good- **1** bye  
Another **5** girl, to sit and **1** cry

## REFRAIN:

It's **5** many, a mile, I've **4** been on, this **1** road  
**4** Many, a **1** mile, **5** I have **1** gone

**INSTRUMENTAL: 2X( 1 , 1 , 5 , 1 )**

Now there was **1** one, that **4** loved me **1** best  
You know she **5** gave, my poor heart **1** rest  
She was my **1** love, some- **4** one to **1** care  
Now she's **5** gone, to God knows **1** where

## REFRAIN

## INSTRUMENTAL

Fill my **1** glass, up **4** to the **1** brim  
To this **5** glass, this world looks **1** dim  
I know there's **1** life, out **4** there some- **1** where  
Maybe **5** ramblin', will get me **1** there

## REFRAIN

**4** Many, a **1** mile, **5** I have **1** gone
