Bluegrass Classic, Key of **B<sup>b</sup>** My Key: \_\_\_\_

**INTRO: 2X ( 1 , 4 , 5 , 1 )**

There's a **1** well-beaten path on this **4** old mountainside  
Where I **5** wandered, when I was a **1** lad  
And I **1** wandered alone, to the **4** place I call home  
In those **5** Blue Ridge hills far a- **1** way

**CHORUS:** Oh I **1** love, those hills of old Vir- **4** ginia  
From those **5** Blue Ridge hills I did **1** roam  
When I **1** die won't you bury me in the **4** mountain  
Far a- **5** way near my Blue Ridge mountain **1** home

**INSTRUMENTAL:** Same as **INTRO**

Now my **1** thoughts wander back, to the **4** ramshackle shack  
In those **5** Blue Ridge hills far a- **1** way  
My **1** mother and dad, were **4** laid there to rest  
They are **5** sleeping in peace together **1** there

**CHORUS / INSTRUMENTAL**

I re- **1** turn to that old cabin **4** home with the sigh  
I've been **5** longing for days, gone **1** by  
When I **1** die won't you bury me on **4** that old mountain side  
Make my **5** resting place upon the hills so **1** high

**CHORUS / INSTRUMENTAL**
