In the **1** fight, between the **5** gray, and the **1** blue

Said **1** good bye, at the old, garden **5** gate  
Then I **1** heard, mother say, son we'll watch, and we'll pray  
If it **1** takes, you for- **5** ever we'll wait

**CHORUS:** If they **4** car,ry me back, on that **1** long southern track  
I **1** hope, you will an,swer my **5** plea  
When they **1** low,er me down  
In that **4** sweet Georgia **1** ground  
Have **1** some,one play **5** Dix,ie for **1** me
