You **1** were my heart's, desire  
You set the **1** flame, of love, on fire  
No **4** other love, could **5** take the place, of **1** you,  
Then you **1** left me all alone, so lon,ely and so blue  
I **4** found someone, to **5** take your place  
What was **5** I, supposed, to **1** do,

**CHORUS:**

Was I to **5** walk, the floor and worry  
Over **4** endless days to **1** come  
Or **2** cry and plead, down on my knees, for **5** you,  
I **1** couldn't stand, to be alone  
You **1** left me noth,ing else to choose  
I **4** found someone, to **5** take your place  
What was **5** I, supposed to **1** do,

**TURNAROUND:** Same as **INTRO**

No **1** oth,er love ever, for me  
The **4** dream, I'd been **5** searchin', for was **1** you,  
When my **1** dream came to an end  
There **1** was no use to, pretend  
I **4** found someone, to **5** take your place  
What was **5** I, supposed, to **1** do,
