Just to **1** look again up- **5** on your smiling **1** face

## **CHORUS:**

Now if-I should **1** wander back tonight  
Would you be **4** waiting  
Would your **1** eyes be filled with love's own tender **5** lies  
Would your **1** arms be empty dear  
Would you **4** thrill to find me near  
Would you **1** love, me if-I **5** wander, back to- **1** night

Last night I **1** dreamed that you and I, were back to- **4** gether  
I **1** held your hand, so gently in my **5** own
