Bluegrass Classic, 1972, Key of **C** My Key: \_\_\_\_

**INTRO:** **1** **4** , **1** , **1** **5** , **1** , (extra two beats)

**1** Tear,drops **4** fell, the night you **1** said  
I **1** love, you dear, and you were **5** wed  
I **1** watched, you **4** while, you held his **1** hand  
And **1** bowed, my **5** head, and cried a- **1** gain **1'**

I **4** cried, again, when I reached **1** home  
There **1** set, your picture, all a- **5** lone  
I **1** thought, of **4** things, that might have **1** been  
And **1** bowed, my **5** head, and cried a- **1** gain

**INSTRUMENTAL:** Same as **INTRO**

I **1** took, your **4** letters, from, the **1** shelf  
And **1** read, them loud just to my- **5** self  
And **1** just, be- **4** fore I reached, the **1** end  
I **1** turned, a- **5** way and cried, a- **1** gain **1'**

Now **4** here's, the reason why I **1** say  
That **1** I, must throw your things a- **5** way  
For **1** they, would **4** always, bring me **1** pain  
And **1** then, I'd **5** have to cry a- **1** gain  
And **1** then, I'd **5** only, cry a- **1** gain **4** , **1**
