I'm **1** tired of eating out-of your hand, I'm **4** tired of getting **2** told  
These **5** blues are leaving me as of now, I'll be the one so **1** bold  
You **1** better walk the chalk line, **4** let this poor man **2** be  
Or **5** else you'll find yourself alone, footloose and fancy **1** free,

## CHORUS:

**1** Eating out of your hand you think you've **4** got me on a **2** string  
You've **5** fooled me more than once but let me tell you just one **1** thing  
Some- **1** day I'll leave you woman, **4** then you'll under- **2** stand  
A **5** man can only take so much, of eating out of your **1** hand,
