**INTRO:** **1** , **4** **1** , **5** , **1**

It **1** doesn't seem, that I should **1'** be, the **4** only one to **1** cry  
Be- **1** cause we quarreled and **2** you went, far a- **5** way  
I **1** think that if, the truth were **1'** known  
It **4** hurts you, just the **1** same  
And **5** in the end, we both will have to **1** pay  
Al- **4** though I, acted very brave, just **1** so you wouldn't see  
I **2** wanted so, to hold you, all the **5** while  
And **1** I believe, you felt the **1'** same, but **4** wouldn't, let it **1** show  
Tell me **5** darlin' are, there tears behind your **1** smile

**TURNAROUND:** Same as **INTRO**

They **1** say that you have found some- **1'** one  
To **4** love and take my **1** place  
They **1** say you're smiling **2** and you, look so **5** fine  
But **1** all those smiles are **1'** make believe  
So **4** no one, else will **1** see  
That **5** deep inside, your heart is sad like **1** mine, **1'**  
I **4** wish that I, could look out through, this **1** dirty, window pane  
And **2** see you now, retracing, all the **5** miles  
I **1** know you can't be **1'** satisfied, just **4** going on this **1** way  
Tell me **5** darling are, there tears behind your **1** smile
