

# Little White Washed Chimney - Bill Clifton

Bluegrass Classic, Key of **A** My Key: \_\_\_\_

Where the **1** Mississippi's **1<sup>7</sup>** flowing  
On the **4** sunny southern **2** shores  
And the **5** steamboat comes a-puffing round the **1** bend  
There's a **1** little old log cabin  
With a **4** grape vine o'er the **2** door  
And a **5** little white washed chimney at the **1** end

**CHORUS:** I'm **1** going back, yes going back  
To the **4** place I love so **1** well  
To the **1** folks who'll want me all their own a- **5** gain  
In that **1** little, old log cabin  
With the **4** grape vine o'er the **2** door  
And a **5** little white washed chimney at the **1** end

**INSTRUMENTAL: 2X ( 1 , 4 2 , 5 , 1 )**

Oh, I **1** went away up **1<sup>7</sup>** North  
Where they **4** told me I would **2** find  
Money **5** hanging around like apples on a **1** tree  
But-it was **1** as my sweetheart **1<sup>7</sup>** told me  
There was **4** nothing of the **2** kind  
And the **5** weather was so cold I thought I'd **1** freeze

**CHORUS / INSTRUMENTAL**

I can **1** see a smoke a- **1<sup>7</sup>** rising from the **4** little chimney **2** top  
As it **5** welcomes me and greets me on the **1** breeze  
Then **1** I will start a- **1<sup>7</sup>** running and I **4** know I'll never **2** stop  
'Til I've **5** landed in that cabin on my **1** knees

**CHORUS**
