## CHORUS:

**1** Once more, from the **5** bottom  
Talk about the **1** blues, man I **4** got 'em  
But not for **1** long, the show must go **2m** on **5**  
Well-I know my **1** part, by **5** heart  
Once I **1** start, there ain't no **4** stoppin'  
Here I **1** go again, **5** once more, from the **1** bottom

Love's **5** let me down before  
Left me **4** lonesome and **1** blue  
But it was **2** just a dress rehearsal  
For the **5** pain she put me through

To the **5** laws of gravity, and now it's

## CHORUS

**INSTRUMENTAL: 1 5 , 1 4 , 1 5 , 1**

As I **4** watched that woman **1** go  
But the **2** tears I cry will all be dried  
Be- **5** fore the evening show  
As the **3** lights come up on a honky tonk  
You'll **6m** find me sitting there  
And my **2** first line is Excuse me  
Don't I **5** know you from somewhere, and then it's

## CHORUS

Here I **1** go again, **5** once more, from the **1** bottom
