Tall Pines - Bill Monroe

Bluegrass Classic, Key of **B**ᵇ   My Key: ___

INTRO: `1` `5` , `1` , (extra two beats)

`1` Once, in my youth, I `4` stood, on this `1` mountain
And `1` planted some `5` pines, in the `1` sand
`1` Ev'ry day, I'd `4` look their `1` way
But `1` just, couldn't `5` under- `1` stand
Why they `5` nev,er grew, like I `4` thought they should `1` do
I `2` just, couldn't un,derstand `5` why
Now I've `1` ram,bled around, this `4` wide world `1` through
And to- `1` day, I `5` just, happened `1` by

Tall `1` pines, tall `4` pines, `1` reach,in' up for the `5` clouds
Tall `1` pines, tall `4` pines
I'll `1` bet you wouldn't `5` know, me `1` now

INSTRUMENTAL: 2X (`1` , `4` `1` , `1` `5` , `1` **)**
`5` , `4` `1` , `2` , `5` , `1` , `4` `1` , `1` `5` , `1`

I'll `1` never forget, the `4` morning I `1` left
The `1` hum, of the `5` bees in the `1` hay
The `1` farther I walked, the `4` hard,er they `1` talked
How `1` si,lent it `5` seems, here to- `1` day
There's that `5` old rail fence, we `4` built inch by `1` inch
Sur- `2` rounding the old, family `5` graves
And there's `1` one, blest stone, `4` standing all a- `1` lone
They're `1` waitin', to `5` join me in the `1` shade

Tall `1` pines, tall `4` pines, `1` reach,in' up for the `5` clouds
Tall `1` pines, tall `4` pines
I've come `1` home, to `5` sleep,
SLOW DOWN: beneath your `1` boughs
