That old **1** white haired, judge in **4** Dallas  
Didn't **1** pay, my **4** story no **1** mind  
They're **1** takin' me down, to **4** Huntsville  
I'm **1** bringin' in a **4** load of **1** time,  
They **1** caught me on a caper, that I'd planned for days  
**4** Proved ev,rything I **1** done  
I'm **1** on my, way to **4** Huntsville  
But I'm **1** looking for a **4** chance to **1** run,,,  
My **1** hands, don't fit no **4** choppin', pole  
**1** Cotton never **4** was my **1** bag  
The **1** men better keep both **4** eyes on me  
Or- **1** they're gon,na **4** lose, their **1** tag, Well-

**CHORUS:** It **1** ain't so far to Mexico  
That **4** I can't, find my **1** way
