**INTRO:** **6m** , **4** , **1** , **6m** , **5** , **4** , **4** , **1** , **4** , **5** , **1** , **1** , **1** , **1**

I could **1** wash, my **4** hands, of **1** love **4**

Shrug it **1** off, and **5** walk, a- **1** way **4**

Chalk it **1** up as, **4** just an- **1** other **4**

In a **1** long line **5** of, mis- **1** takes

I could **1** make it, **4** look so, **1** easy **4**

Simply **1** say that **5** we, are **1** through **4**

And-not re- **1** gret it, **4** for one **1** moment **4**

If it were **1** any- **5** one, but **1** you

**CHORUS:** If it were **4** anyone but **7<sup>b</sup>** you

The feeling **4** wouldn't be this **7<sup>b</sup>** strong

I'd find **4** some excuse for **7<sup>b</sup>** leaving

You'd turn your **5** back, and I'd be **1** gone

Falling **6m** into love is **4** something that I

**1** Swore I'd never **6m** do **5** , **6m** **5** , **4**

And I'd have **1** kept my word to **4** me

If it were **5** anyone but **1** you

**TURNAROUND:** **1** , **7<sup>b</sup>** **4** , **1** , **7<sup>b</sup>** **4** , **1** , **7<sup>b</sup>** **4** , **1** , **7<sup>b</sup>** **4**

If you **1** had,n't **4** caught, my **1** eye **4**

If I'd **1** not let you **5** turn, my **1** head **4**

Every **1** tender **4** word, you **1** heard **4**

They would **1** have, all **5** gone, un- **1** said

I'd still **1** be, a **4** roll,in' **1** stone **4**

That no **1** one, could **5** hold on **1** to **4**

Love would **1** not, have **4** slowed me **1** down **4**

If it were **1** any- **5** one, but **1** you

**CHORUS 2X**
