

Modern Day Outlaw - Blue Moon Rising

Bluegrass Contemporary, Key of **B** My Key: ____

1 Me and little brother, had big dreams when we were young
We **1** saw, the old time cowboys, ridin' horses and shootin' **4** guns
It's **1** funny how, a foolish thought, can take your dreams away
And how a **7^b** thing I did ten **4** years ago
Can **5** make me run to- **4** day,
We **1** didn't, want to hurt no one, just kids out havin' fun
1 I was shocked, as anyone, when some guy, pulled a **4** gun
1 Alcohol, was sayin' things, that's better, left unsaid
Be- **7^b** fore I knew what **4** happened, my **5** brother lay there **4** dead,

CHORUS:

4 Right or wrong you **1** be the judge, it's **5** not for me to **4** say
If **4** he had been your **1** brother
Could you **7^b** turn and walk a- **4** way
They **4** say that I'm a **1** wanted man
But he's the **7^b** last he ever **4** saw
I **4** never did set **1** out to be, a **5** modern day out- **4** law,

INSTRUMENTAL: **1** , **1** , **1** , **1** , **1** , **1** , **1** , **4**

1 I'll just keep, on movin' every day,'s another town
I **1** know that soon, they'll catch me Lord
They're **1** bound to track me **4** down
The **1** price, was high, but I can't lie, I'm proud of what I've done
I **7^b** made him pay, and **4** rue the day, he **5** ever, drew a **4** gun,
