I've **4** held on tight too many years, **1** . to-ever set her **4** free,  
**1** Though she's not a lady she still **5** means the world to **1** me,

## **CHORUS:**

She's no **4** lady but I love her, she's been **1** known, to be untrue  
She's been **5** knocked around and picked on  
Even **1** dropped a time or two  
She's been **4** passed around at parties  
Set on **1** everybody's **6m** knee,  
This-old, gui- **1** tar's changed hands, a time or two  
but it, **5** . still belongs to **1** me,

She's the **1** one who keeps me from my wife and **4** family half the **1** time  
She- **1** haunts me and she drives me to those, honky tonk **5** dives,  
**4** Pick her up each evening, as the **1** neon starts to **4** glow,  
And **1** hold her closer to my heart than-any **5** lady I'll ever **1** know,

but it, **5** . still belongs to **1** me,  
This-old gui- **1** tar's changed hands, a time or two  
but-it **5** still, belongs to **1** me,
