Too many **4** nights, out with the boys, a- **1** drinkin'
Left her **5** too much, idle time, for **1** thinkin'
If I could **4** turn, back the years
I'd wipe a- **1** way, these tears
But for **5** now, I can't see
For these **7^b** tears, are **4** blindin' **1** me

CHORUS:

Who would have **4** thought, she'd find another
I thought for **1** you, there was no other
Your love is **5** blind, now I agree
For these **7^b** tears, are **4** blindin' **1** me

I won't be **1** late, I won't be long
Now the **5** clock, is striking three
And these **7^b** tears, are **4** blindin' **1** me
