

My Turn - Blue Moon Rising

Bluegrass Contemporary, Key of **C** My Key: ____

INTRO: **1** , **1** , **1** , **5** , **1** , **1** , **1** **5** , **1** , **1**

I've been **1** mopin', around with my head hanging down
And I **1** think that, you'd like it that **5** way
Though I **1** beg you, to stay
You wouldn't **1** have it, that way
You'd **1** much rather, **5** play your little **1** game

CHORUS: A- **4** lone and so blue is how you **1** left me
But in **1** sorrow, no longer I will **5** stay
Goin' **1** out on, the town goin' cattin', around
It's **1** my turn, to **5** play your little **1** game

INSTRUMENTAL: Same as **INTRO**

I've been **1** under, your thumb, never havin' any fun
Each **1** new day, was always, the **5** same
But to- **1** night is the night, I'm gonna make it, alright
It's **1** my turn, to **5** play your little **1** game

CHORUS / INSTRUMENTAL

Now my **1** life can begin, 'cause you said it's, the end
I don't **1** care who's, at fault or, to **5** blame
'Cause **1** today is the day, to chase the heartache away
It's **1** my turn, to **5** play your little **1** game

CHORUS

It's **1** my turn, to **5** play your little **1** game

1 = C
4 = F
5 = G
