It **4** used, to be, for **1** two
And **4** that's, the way, a **1** day begins
When you're **5** living, like, a **1** fool,

CHORUS:

Each **5** day I meet, the same old friends
And **2** tell, the same, old **5** lies
No **2** I don't miss her, pardon me
There's somethin', in my **5** eyes
And **1** as, the days and lies, go on
It **4** takes, a drink or **1** two
And **4** that's, the way, a **1** day goes by
