

Natural Thing To Do - Larry Sparks

Bluegrass Classic, Key of **B^b** My Key: ____

Go on and **1** tell me, you don't love me any- **4** more
Go on and **1** hurt me, like you've hurt me be- **5** fore
I'll find a **1** reason, to look away
When **1⁷** you're un- **4** true
Because I **1** love you, it's the **5** natural, thing to **1** do

CHORUS: No **5** matter, how you treat me
I'll **4** stand the **1** test
Un- **2** til, you see, this love of mine
Stands **5** out, from all the rest
I'll be **1** there, to mend the pieces
When he breaks, your **1⁷** heart in **4** two
Because I **1** love you
It's the **5** natural, thing to **1** do

TURNAROUND: **4 4** , **1** , **5** , **1** , **1**

If we could **1** only, just relive old, **1⁷** yester- **4** day
When love, was **1** bloomin'
Like the flowers, that bloom in **5** May
I'm just **1** wishing
For the things, that **1⁷** can't come **4** true
'Cause I **1** love you, it's the **5** natural, thing to **1** do

CHORUS
