Bluegrass Classic, Key of **B** My Key: ____

INTRO: 2X (**1** , **1** , **1** , **4** , **5** , **5** , **5** , **1**), (extra two beats)

One **1** day I met the beauty of my dreams

With **1** pretty eyes she had it all it **4** seems

5 Brown hair, that flowed down behind

I **5** saw it all and yet I was so **1** blind

We **1** wound, up in her part of town

Bright **1** lights, and loud music all a- **4** round

I'd **5** gaze into her eyes and she in mine

She **5** had me in a trance it was so **1** fine

CHORUS: Now I **1** cry, **3^b** cry, **4** cry

I **5** can't get over her, though I **1** try

I'm **1** blue, **3^b** blue, **4** blue

I **5** should have known, she never could be **1** true

INSTRUMENTAL: Same as **INTRO**

Well the **1** fun, didn't last very long

I **1** find her house, the neighbors say you're **4** wrong

The **5** girl you seek, don't live here any more

5 Oh the pain to me these lies you **1** sold

So **1** all I have, is-a picture in a frame

She **1** disappeared, the same way she **4** came

She **5** made a wreck of me, and I find

She's **5** outta sight, but always on my **1** mind

CHORUS

OUTRO: **3^b** **4** , **1**

1 = B
3 ^b = D
4 = E
5 = G ^b
