

Leaves Mustn't Fall - Charlie Moore

Bluegrass Classic, Key of **C** My Key: ____

INTRO: **5** , **1**

The **1** autumn, leaves were falling
And the- **4** snow was soon to come
As **5** I was walking down, a lonesome **1** road
I **1** saw, a little fellow, he was **4** sitting, all alone
A- **5** catching leaves as they came, tumblin' **1** down

CHORUS:

The **1** leaves, mustn't fall, oh **4** no they mustn't fall
I'm **5** ty,in' the leaves, so they will **1** stay
I've **1** lost my mom and dad, now **4** **sister's** all I have
Don't **5** let the falling leaves take her a- **1** way

TURNAROUND: **5** , **1**

My **1** little sister's seven, and she's- **4** sure, a pretty thing
Just as- **5** pretty as, a picture on the **1** wall
The **1** doctor came this summer
And he- **4** said that she would die
When **5** autumn leaves have turned and start to **1** fall

CHORUS / TURNAROUND

So **1** won't you help me mister
Won't you- **4** help me tie the leaves
We'll **5** tie 'em to, the branches, good and **1** strong
And **1** if we, tie 'em tightly, we can- **4** keep my sister here
And **5** show that doctor man, that he was **1** wrong

CHORUS except "**my sister's**" instead of "**sister's**"
and slow last line

1 = C
4 = F
5 = G
