

# Stormy Horizons - Jim & Jesse

Bluegrass Classic, Key of **G** My Key: \_\_\_\_

**INTRO:** **1** **1'** , **4**

There's **1** stor,my hor- **5** i,zons in my **1** heart  
I **1** scarcely hear the **1'** wild wind's cry  
or **4** feel its sudden blast  
A **1** greater storm just, swept my world a- **5** part,  
To- **1** day you're with some- **1'** body new  
My **4** hopes are gone at last  
There's **1** stor,my hor- **5** izons in my **1** heart **1'**

## CHORUS:

**4** Rain, swept and tattered, like the- **1** rose, in the wind  
**1** Stor,my horizons, without, and with- **5** in,  
**1** You were all that mattered  
But you **4** wanted to be **1** free  
Now **1** stor,my hor- **5** izons wait for **1** me,

**INSTRUMENTAL:** **1** **1'** , **4** , **1** , **5**  
**1** **1'** , **4** , **1** **5** , **1**

Of **1** things as fragile and as sweet  
as **4** roses dreams are made  
And **1** dreams we had you held so careless- **5** ly,  
They **1** fell like petals round my feet  
I **4** saw my rainbow fade  
Now **1** stor,my hor- **5** izons wait for **1** me,

**CHORUS** but end with **5 1**

1 = G
4 = C
5 = D
