Bluegrass Contemporary, 2007, Key of **B** My Key: ____**INTRO:** **4** **5** , **1**

1 I don't make, much **5** music, these **1** days,
1 I'm, an old gui- **5** tar, nobody **1** plays,
 There's **4** still a whole lot of good pickin', left in **1** me,
1 I don't mind, just to **5** hang here, silent- **1** ly,
 'Cause I'm **1** proud, to be, **5** Lefty's old gui- **1** tar,
 Filled with **1** memories, **5** . of the super- **1** star,
 My **4** home is in the Country Music, Hall of **1** Fame,
 It's **1** such a grand feeling, to **5** share ol' Lefty's, **1** name,

CHORUS:

I'll just **5** hang here on this wall, and re- **4** member, it **1** all
 And the **2** good times, outweigh, the bad by **5** far,
 Though these **4** strings, are rusty and old
 They-once played, **1** hits of, solid **4** gold
 I'm, a **4** symbol, of-a star, I'm **5** Lefty's, old gui- **1** tar,

TURNAROUND: **4** **5** , **1**

1 Saginaw Michigan, was- **5** always a favorite of **1** mine,
 And if- **1** you've got the money, **5** honey, I've got the **1** time,
 But his **4** heart, and soul, and all of the songs, he **1** wrote,
 And-you could **1** feel what he was feelin', with **5** every single **1** note,
 He traveled, **1** many years together, **5** . playin' one night **1** shows,
 I **1** should be contented with **5** that, I sup- **1** pose,
 But-when I **4** think of the past, and all of, the places we've **1** been,
 Lord I'd **1** give the world, to **5** do it, all ov,er a- **1** gain,

CHORUS except first word is "I" instead of "I'll"Oh I'm, **4** proud to be, **5** Lefty's, old gui- **1** tar, **5** **1**
