Two **4** highways lay be- **5** fore me, **1** which one, will I choose  
Down **4** one lane, I'd find **5** happiness  
And down the **1** other, one-I would lose  
There **4** is no one, that **5** I can trust, I **6m** must, de- **5** cide a- **4** lone,  
My de- **4** cision is an awful one, which **2m** road will take me **5** home

## CHORUS:

In the **4** mornin', would I, **5** wake to find  
Down the **1** wrong road I have gone  
**4** Will I hear, the **5** melodies, I've **1** searched for oh so long  
**4** On,ly time, will **5** tell, if I have **6m** made a **5** loser's **2** choice,  
And though **4** sadness, cries my inner soul  
My **6<sup>b</sup>** lover, **7<sup>b</sup>** haunts my **1** woe,

**4** Perils, there are **5** many, as I **1** set out, on my way  
If I **4** lose, your love, I **5** know that I, can, **1** call it back, someday  
**4** Ramble, lonely **5** rambler, just 'cause **6m** any,- **5** place is **4** home  
**4** Nashville, lights how **6<sup>b</sup>** you, have **7<sup>b</sup>** always **1** shined

**INSTRUMENTAL:** **4** , **5** , **1** , **1** , **4** , **5** , **1** , **1** + **INTRO**

**4** Wishing now, that **5** you had found, a **1** word or two to say  
But the **4** mornin' came, and **5** we both knew, my **1** eyes gave it away  
As I **4** kissed your cheeks, and **5** said goodbye  
I thought **6m** only **5** time will **4** tell,  
And you **4** can't draw, water **6<sup>b</sup>** from an **7<sup>b</sup>** empty **1** well

## CHORUS

And though **4** sadness, cries my inner soul  
My **6<sup>b</sup>** lover, **7<sup>b</sup>** haunts my **1** woe,
