**INTRO:** **7<sup>b</sup>** , **4** , **2m** **5** , **1** , **1**

Oh the **1** dull and dingy city lights  
Shine **4** through the dark November night on **1** me,  
**4** Walkin' down an empty street  
**7<sup>b</sup>** Longing for the **4** way things used to **1** be,  
But I **1** know that times have changed and you've for- **4** gotten  
**4** And you're doin' **1** fine,  
So to- **4** night I'll walk these streets again  
And **5** watch the past go **4** running through my **1** mind,

## CHORUS:

**6m** Runnin' through my mind, I'm **1** runnin' out of time  
**2m** Will I ever **4** see the one I love, a- **1** gain  
**7<sup>b</sup>** By another's side, she **4** left me here behind  
While her **2m** memory keeps **5** runnin' through my **1** mind

**INSTRUMENTAL:** **1** , **4** , **1** , **1** , **4** , **7<sup>b</sup>** **4** , **1** , **1**  
**1** , **4** , **1** , **1** , **7<sup>b</sup>** , **4** , **2m** **5** , **1** , **1**

It's a **1** sad and lonesome feelin'  
When you **4** lose the only one you've ever **1** loved,  
And each **4** morning you awaken  
She's the **7<sup>b</sup>** first thing, **4** that you're thinkin' **1** of,  
He **1** knew she had to leave, something **4** better  
She's **4** look,ing to **1** find,  
But it's **4** hard to fight the visions of the **5** lonely shadows  
**4** Runnin' through your **1** mind,
