The **1** way I loved you girl, it was a **4** shame  
I **5** thought the love we had would never **1** change  
But **1** I can tell there's something wrong  
As **4** you walk out the **2m** door  
Honey **5** you, don't love me any- **1** more

**CHORUS:** **1** You, don't love me any- **5** more  
You **5** threw the love we had, right out the **1** door  
You **1** made me feel the loneliness  
I'd **4** never felt be- **2m** fore  
Honey **5** you, don't love me any- **1** more

You **1** tell me you just can't make up your **4** mind  
And the **5** way you're treating me is so un- **1** kind

I've **4** heard that line be- **2m** fore  
Darling **5** you, don't love me any- **1** more

**CHORUS**

You're **1** not the same sweet girl I used to **4** know  
And **5** I just can't believe you hurt me **1** so  
But **1** one day I'll get over you and **4** even up the **2m** score,

'Cause honey **5** you, don't love me any- **1** more
