Doyle Lawson Bluegrass Contemporary, Key of **C** My Key: ____

INTRO: 1 7^b , 4 1 , 4 2m , 5 , 5

CHORUS:

1 Don't, 7^b tell, me 4 of the love you've 1 known
I've 4 heard, these words be- 5 fore
And 1 don't, 7^b tell, me you 4 need some time a- 1 lone
Ex- 4 cu,ses hurt me 5 more
Just 4 turn away and 5 leave before I 1 cry
It's 4 easier to go, without good- 5 bye

1 When I look into your eyes and 4 see the endless dreams
I 4 know you're somewhere in the past
With 5 things that might have been
And 1 when, I asked if you would 4 take me with you too
You'd 4 hide behind your loneliness
And 5 cloud my window view, so

CHORUS

INSTRUMENTAL: 2X (1 7^b , 4 1 , 4 2m , 5) , 5

It 1 must be hard to love a dream, with 4 nothing in return
A 4 memory can't hold me tight, when 5 passion starts to burn
I 1 want to take you in my arms and 4 show how much I care
But the 4 pain of knowing you can't love
Is 5 more than I can bear, so

CHORUS
