You said our **1** love, was all that mattered  
I never **1** thought, you'd make me **5** cry  
Now my **1** dreams, have all been shattered  
You turn your **1** head, **5** when I walk **1** by

**CHORUS:** Are you a- **1** shamed, to call me Darlin'  
After **1** all, I've been to **5** you  
You broke **1** my heart, and left me lonely  
Are you a- **1** shamed, **5** to call me **1** Dear

**INSTRUMENTAL:** Same as **INTRO**

Each lonely **1** night, as you lay sleeping  
Dreamin' **1** in, your sweet re- **5** pose  
All a- **1** lone, and broken hearted  
I listen **1** to, **5** the wind that **1** blows

**CHORUS / INSTRUMENTAL**

When you are **1** down, and need a friend dear  
You know that **1** I, will be a- **5** round  
To kiss the **1** lips, that once betrayed me  
And hold the **1** hand, **5** that turned me **1** down

**CHORUS / INSTRUMENTAL**

Are you a- **1** shamed to call me Darlin'  
After **1** all, I've been to **5** you  
You broke **1** my heart, and left me **4** lonely  
Are you a- **1** shamed, **5** to call me **1** Dear
