The **5** sun sets, at **1** quarter 'til four, the **5** snow is, oh, a- **1** piling at my door

To **3** put those letters that you **4** wrote me in the fire  
**5** Oh, and they ain't comin' **1** back, so

## CHORUS:

**4** Where did you go my Jamie dear  
**1** Sittin' on the window with a single tear  
**5** Swamps on fire and the leather leaf  
**5** Burnin' like the letters that you send to me  
**4** Where did you go my darling May  
You **1** set, like the sun on a winter's day  
**5** Cold from frost on the window pane  
**5** Bottle of whiskey and a pile, of **4** shame **1 5** , pile, of **4** shame **1 5**

**3** Love from you, but **4** I got shown the door

By the **5** time, that **1** spring rolls around  
My **5** heart will, have **1** melted off the ground  
**3** I'll throw out the, **4** ashes from the stove  
**3** Bits of your letters, and **4** things that I let go  
**3** Try to keep, myself **4** moving on the road  
**5** Oh and, I ain't comin' **1** back **(STOP)**
