Always **1** have, and I always **2m** will,
She left a **1** let,ter on our **2m** bed
You know **7^b** why, is all it **2m** said
I keep her **7^b** note, on the window **2m** sill
Always **1** have, and I always **2m** will

She always **1** knew, I'd never **2m** change

I always **1** have, and I always **2m** will,
Now as **1** far, as I can **2m** tell
I know the **7^b** de,vil way too **2m** well
But I knew the **7^b** price, when I made the **2m** deal
I always **1** have, and I always **2m** will
Always **1** have, and I always **2m** will
