

This Lonesome Song - Lonesome River Band

Bluegrass Contemporary, Key of **D** My Key: ____

INTRO: **1 5** , **4** , **1 5** , **1**

At **1** first, you made, it easy, for me to **4** love, you
But it **1** wasn't, easy, when you said, good- **2m** bye, **5**
As the **1** years rolled by, I **5** found myself just this **4** morning
Well I **1** guess it's, fair to **5** say I lost my **1** mind, **5**

CHORUS:

If-you would **1** only have-let me **5** love you
Like I **4** wanted to
.Our- **1** love, would be, forever, growin' **2m** strong, **5**
And **1** then I would not **5** feel this awful, **4** pain I do
And I- **1** would not, have to **5** sing this
lonesome **1** song, **5**

TURNAROUND: Same as **INTRO**

You **1** told, me that, you love me, and you'd **4** never leave
But **1** all that, changed one day, while I was **2m** gone, **5**
He **1** walked right in, and **5** took your love, a- **4** way from me
And **1** now I, sit here, **5** weepin', all a- **1** lone, **5**

CHORUS without the last **5**

SINGLE STRUM: If-you would **1** only have let me **5** love you
Like I **4** wanted to...

1 = D
2 = E
4 = G
5 = A
