CHORUS: Now listen **4** close, and you can **1** hear
Their mournful **4** cries, ring through the **1** darkness
Lovers **1** lost, and all alone
Spirits **5** to, forever **1** roam

Like a-nightbird's **1** wail, when the wind is still
The sound of a- **1** river, and a whippoorwill
Like the driving **1** rain, on a roof of tin
Her words of **5** love, call out to **1** him

TURNAROUND: **5** , **1** , **1**

In the chill of the **1** night, through the fallen snow
Two hearts run **1** wild, nowhere to go
Crossing **1** hills, and valleys wide
To meet once **5** more, on the other **1** side

It's a bitter **1** wind, that sings her song
About a-love so **1** right, and yet so wrong
And promised **1** hearts, where passions dwell
No one can **5** see, no one can **1** tell
Souls lost in **1** time, they were never found
Frozen in **1** silence, on the cold hard ground
Forever **1** wild, forever free
Wrapped in the **5** arms, of eterni- **1** ty
