**INTRO:** **6m** , **5** , **4** , **4** , **4** , **4 5**

**1** Time, is a funny thing you **4** know  
No **5** matter where you **1** are it comes and **4** goes  
I've **5** lived my **1** life, one **4** day, at a **1** time  
**6m** Time is all I've **5** had and all I **4** know

**1** Home, is a state of mind it's **4** said  
Four **5** walls, and a **1** roof inside your **4** head  
To **5** some it might seem **1** strange  
But I'm **4** too damn old to **1** change  
Now the **6m** warden says the **5** state requires my **4** bed

**CHORUS:** It's been, **4** fifty **3m** years, since they, **5** sent me **1** here  
I had, **4** forty nine more, to **5** go  
But a **1** week, from to- **4** day,  
They'll **5** op,en this **1** gate for **4** good  
And I'll **1** have to walk a- **4** way,  
But Lord **6m** knows, I'd **5** stay, if I, **1** could
